Residents in Egypt

Fill in the application of the required service and submit the same to the selected branch attached with a copy of the ID and complete the required procedures at the branch.

Residents outside Egypt

Fill in the application of the required service together with the Specimen Signature Form “7K” (for opening accounts) would be signed. Submit the application to one of our correspondents abroad who would authenticate the signatures. Alternatively, the Egyptian Embassies or Consulates abroad may authenticate the signatures, provided that the said authentication would be approved by the Egyptian Ministry of Foreign Affairs. Then send the application to the selected NBE branch attached with a copy of the ID.
